

For a perfect connection between you and your dog.

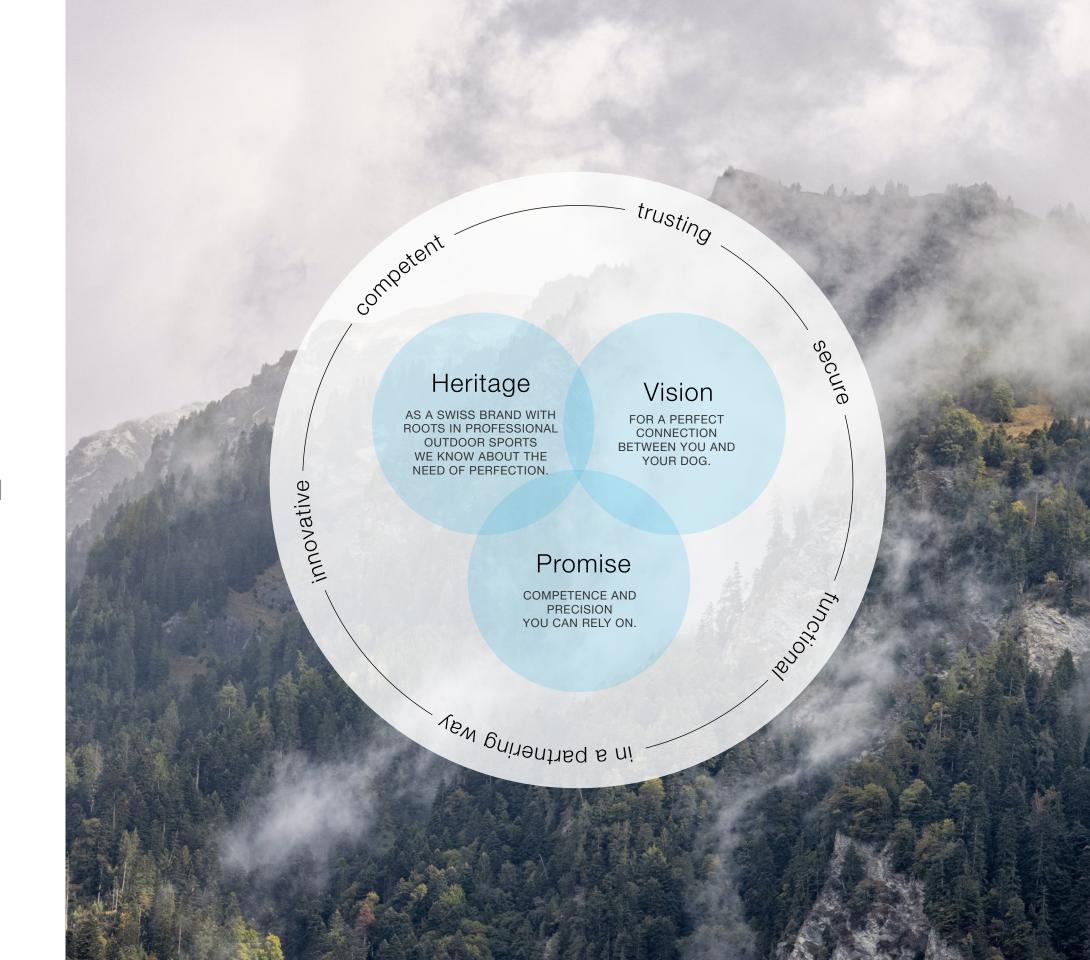

curli BRAND IDENTITY & STORYTELLING

Identity

Our Identity is shaped by our heritage, our vision and our promise. It can be experienced in our actions, our brand appearance and, of course, in our products.

Our identity represents what our partners and customers can expect from us.

curli has its origin in the Swiss mountains

... and transfers knowledge and experience from professional mountain sports to the pet industry to ensure a best possible connection between you and your dog.
